

**Step 1-** Send us an calendar invite from your own Calendar Google Client. - **new@sk31.net**

**Step 2** - Get the Instructions and an Auto-Generated Report URL for your Calendar event Information with Web Event Embed CTA code from the the Calendar Auto bot.

Thanks for creating a Calendar Snack. The Event ID is 3fa308555aab47c6a84b8a88c1

### Step 3

We are still in Beta, so give us feedback about your experience - we want to know what worked and what didn't so we can improve the application.

Here is the link to your Calendar Snack detail page:

<https://beta.calendarsnack.com/?eventid=3fa308555aab47c6a84b8a88c1>

We've tried to make as simple as possible to use, but if this your first time with Calendar Snack, check out our documentation at:

<https://calendarsnack.com/calendar-snack-documentation>

Please save this email, we don't have an automated way to recover this information, and the Event ID the key to ensuring the application works properly.

Cheers,

Arnie, Greg and JJ (the Calendar Snack 2-Pizza Team)
